The story

The story of two Catholic missionaries Padre Sebastiao Rodrigues and Padre Francisco Garupe, who face the ultimate test of faith when they travel to Japan in search of their missing mentor Padre Cristovao Ferreira - at a time when Catholicism was outlawed and their presence forbidden. They heard that Padre Ferreira has apostatized and now living as a Japanese man. They didn't believe these rumours and had to check it out themselves, so they went looking for him putting at risk their own lives. The film tells also the story of the interior conflict of Padre Rodrigues seeing all the Christians' suffering and not understanding the silence of God in front of this persecution.
